Subject Understanding and Accommodation for Students -- Campus Network Outage

Dear Instructors,

As you are probably aware, the campus experienced an IT outage over the weekend.

Additional information about the outage is on the campus [news site](#).

The outage may have affected students' ability to complete required coursework.

We ask for your understanding and that you provide students with appropriate accommodations for possible missed assignments or other problems stemming from the outage.

Thank you.

Catherine Koshland, Vice Chancellor for Undergraduate Education
Benjamin Hermalin, Chair, Berkeley Division of the Academic Senate
