INTRODUCTION TO THE MAJOR

The History of Art major is designed to give students a solid grounding in the artistic traditions, practices, and contexts that comprise historical and contemporary visuality. By introducing students to the discipline’s history, methods, and debates, the major prepares students to pursue independent research, evaluate evidence, create coherent and sustained arguments, and develop academic writing skills. Students in the major gain exposure to different historical periods, geographical regions, and topics, while having the flexibility to pursue specific interests by selecting a Focus of Study.

AMPLIFY YOUR MAJOR

- Engage with art history internationally with study abroad.
- Get involved with the History of Art Undergraduate Student Association (H.Art).
- Check out the Visual Resources Center to find technology and information to support your academic projects.

FOCUS OF STUDY

History of Art majors concentrate a portion of their upper division coursework in a Focus of Study. By selecting a focus, students engage a specific field/topic in a cluster of relevant courses taught within and outside the department. Examples include (but are not limited to):

- Art + Politics
- Materials + Materiality
- Art + Bodies
- Urbanism
- Craft
- Art + Religion
